*** Location ***

Located in the north of the regional capital in hilly area, close to hospital unit of Careggi.

Serpiolle is Latin's origin place name indicating an ancient roman settlement in that area. The Terzolle creek passes throu the village abd flows into another little creek named Terzollina close to a mill.

Noteworthy is the San Lorenzo church too. Serpiolle play a role of some importance for the Florentine folk music being the Societa Mandolinistica 'La Pippolese' founded there in 1904
