The house has 308m2 and recollects all the industrial charms: large windows, high ceilings with exposed beams and space continuity. The flat has been decorated and designed with the best materials, combining modernity with warmth. The loft is divided into two complete suites and the rest is a large space with living room, dining room and open kitchen. In addition, from the master suite you can access a terrace of 12m2. For more information, please contact us. Read more The house has 308m2 and recollects all the industrial charms: large windows, high ceilings with exposed beams and space continuity.
