Address: Calpe, Alicante

Villa with guest apartment. This villa has a first class quality and finishings. Built with the best materials, thinking about all the details. Master bedroom with dressing room and bathroom. All bedrooms have over 15 m2. The central heating and water are heated with solar panels and pellets (economic and ecological). It has air conditioning, PVC windows with double glazing and electric shutters. It has an oversized garage, enough to fit a camper / motorhome height. Large storage with workshop. two water tanks: one for the garden and one for the pool. It is very close to the shops and the sea.
