This substantial villa is located on a large flat plot in Partida Valls, close to the Montgo and 2km from Javea old town. The property was built in 2012 but was not completed, it is being offered as it is now with a completed pool and pool terrace, the completion of the villa can be negotiated with the owner or taken over by the new owner. Items for completion include: kitchen, bathrooms, central heating, air conditioning and the garden. The lower level of the property has a double garage and a further 200m² to be developed, here extra accommodation, a fitness room or a home cinema could be created. The main level of the villa consists of a spacious entrance hall, a separate kitchen, a 45m² living/dining room and a 38m² open area. Also on this level you will find three double bedrooms, one with a private terrace, two bathrooms of which one is en-suite and a guest toilet. Up an impressive staircase you reach the master suite which has an en-suite bathroom and a private terrace with wonderful views. The villa has security glazed windows with persianas and mosquiteras, and it has been pre-installed for both central heating and air conditioning. The price of this property has been reduced from 900,000€.
