OFFERS INVITED. Beautiful 3/4 bedroom, SW facing villa close to the village of Orba with panoramic views of the Jalon valley. There are no steps to enter the main villa. There is a drive with parking for 2 cars plus a carport for an additional vehicle. The entrance leads into the main living area consisting of lounge/dinning area and open plan kitchen. On this level you have 2 bedrooms, including a large master bedroom with en suite bathroom. This bedroom also has a terrace with superb views across the valley. There is also a family shower room. Patio doors leads to a large glazed naya which is an additional living room. This area has beautiful glass curtains which you could fully fold back in summer and in winter can be closed to allow it to be used throughout the year. External steps lead to a pool terrace and a solar heated pool. There is also a hot tub. On this level you have a room which has a very large kitchen with a bar and seating area. It is ideal for all year entertainment and perfect for summer pool fiestas. There is also a 1 bedroom apartment with bathroom. The living room could easily be used as an additional bedroom if necessary, plus a utility room, an office and storage room. Key Points:- Fantastic views- Lots of possibility's- Extra rooms - Hot Tub- Gas central heating- Quiet area This is a fantastic villa for either a holiday or permanent home with some of the best views in this part of the valley, with sun all day.
